BE A WONDERFUL HUMAN BEING: KEEP IN MIND TO

Summer Vacations are here. A few vital suggestions are listed below to make the vacations more exciting and fruitful than ever before:

Keep at least half an hour a day for sharing experiences with your child.

Encourage your child to speak in English. Fix one hour in a day when you communicate with your child only in English.

Let your child colour, draw, paint, play with water and sand etc.

Restrict his or her television watching, confining it to interesting children's programs, cartoon films, Discovery channel etc.

To improve the formation of letters, make your child write a page every day.

Develop self-help skills: Let your child dress and feed on his/her own.

Make him understand the importance of cleaning his room and putting away toys and belongings after use.

Take your child out for picnics and to other places of his/her interest. Ask him/her to make a note of all the places he/she visits and the things he/she sees so that he/she is able to discuss his/her experience in class after the vacation.
